Dear Shri Prasad,

As you are aware, the National Institute of Financial Management has been set up by the Government of India for professional training of officers of Group 'A' Accounts and Finance Services of Government of India. The Institute, besides training probationers of the Central Group 'A' Finance and Accounts Services also conducts a large number of Domestic & International Management Development Programmes. In addition, the institute conducts a two-year full-time Post Graduate Diploma in Management (Financial Management) and one-year Diploma in Government Accounting and Internal Audit for officers of Central and State Governments/PSUs etc. both approved by AICTE.

(A) The institute has vacancies in the positions of professors (pre-revised Rs.37400-67000 + G.P. Rs.10,000/-) and Associate Professors (pre-revised Rs.15600-39100 + G.P. Rs.8,700/-). In view of its unique mandate, the institute requires an optimal mix of faculty, from academia as well as from Government. The senior Government officers on its faculty not only provide academic inputs to the probationers but also serve as role models for the young officers.

Deputations to this institute are governed under DoPT order No. 2/29/91-Estt.(Pay II) dated 5th January, 1994 as amended from time to time. Offices on deputation to this Institute are also entitled to training allowance at the rate admissible under Government of India, Ministry of Personnel, Public Grievances and Pension, DoPT OM No. 12017/2/80/Trg dated 9th July, 1992. The Institute also has provision of accommodation for faculty in the campus. A copy of the Faculty Recruitment Rules is enclosed.

I would like to request that willing and suitable officers with a flair for teaching/training and with requisite qualifications in relevant subjects are recommended. Their application along with their CR dossiers for the last five years may be sent by 20th July, 2018.

With Warm Regards,

Yours sincerely

(Meena Agarwal)
